

## **ZOLL SERVICES, LLC LIMITED WARRANTY**

ZOLL Services, LLC (“ZOLL”) hereby warrants to you that your LifeVest® wearable cardioverter defibrillator including the monitor, electrode belt, batteries and charger (collectively the “LifeVest”) will be free from defects in material and workmanship under normal use and that ZOLL will provide the reasonable and customary support services expected of all of ZOLL’s patients for three years from the date of your first use (the “Warranty Period”).

During the Warranty Period, ZOLL will, at no charge to you, repair or replace any part of the LifeVest as deemed reasonably necessary by ZOLL to ensure that it performs to the standards of safety and effectiveness set forth by the Food and Drug Administration. ZOLL shall not be responsible for any defect, failure to perform any specified function, or any other nonconformance, caused by or attributable to any modification, use, or misuse of the LifeVest by you or others that is inconsistent with the instructions specified in the labeling, patient manual, or reference guide.

This warranty is exclusive to you for the duration of the prescribed use (from a medical professional) and is not transferrable. This warranty is ZOLL’s sole obligation to you for defects relating to your LifeVest.

Your acknowledgement of the risks of using the LifeVest and your ongoing obligations with respect to its safe and effective use as set forth in your patient agreement and the patient manual continue to apply.

**ZOLL EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES WHETHER WRITTEN, ORAL, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WARRANTIES OF TITLE OR NONINFRINGEMENT, OR WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE.**
